History

With over thirty years experience in show business as professional entertainers, Principals Adam and Nicky Wright have travelled the world performing their musical speciality act in theatres on land and at sea. They have also both appeared in various television and theatre productions. Originally trained at the Italia Conti Academy of Theatre Arts in London, Adam and Nicky, now based in Lichfield, established Theatrics Stage School in 2003, a wonderful concept in performing arts training which is fun but engages the interest of young performers. Adam continues to work at sea as a Cruise Director managing the entertainment programmes onboard for Silversea Cruises.

Having been professional performers, Adam and Nicky understand the importance of disciplined training through syllabus work, but feel that some young performers, especially beginners, respond well to a less rigid format where the focus is on performance rather than exams. This approach, shapes the foundation of our basic principal:

Fun in Performance!

Mission

Adam and Nicky have developed a friendly, secure, creative environment at Theatrics, offering excellent training in all aspects of musical theatre, dance technique, drama and singing. Each student will have the opportunity to expand individual interests and talents, maximising their potential, whether it be for a future on stage or just to develop communication skills, enabling them to become more confident and articulate. Senior students may also aspire to join one of our advanced groups including The Spectrum Theatre Workshop or The Adlib Theatre Company. There will be regular shows and workshop presentations where family and friends can enjoy the achievements of the students.

Structure

Training is offered to children and teenagers aged 4 – 18, both beginners and previously trained students. Classes are organised by age and ability. Our class sizes allow for close attention from our expert teachers.

There will be three terms each year, which run concurrently with the state schools academic year. Terms are generally between 12 – 15 weeks each.

Theatrics Performance Classes

These 90-minute classes offer all-round training in stagecraft, including singing, acting, dance and movement and are ideal for students (7 – 14 years) who enjoy performing, but do not wish to take grade exams.

The class is divided into two 45 minute sessions, Dance with a specialist teacher and Drama / Singing with a dedicated voice coach.

Incorporating current trends in contemporary music as well as musical theatre, emphasis is on performance.

Performance classes are an outlet for expression in a freestyle situation, whilst learning valuable performance techniques, including, vocal projection and placement, breath control, improvisation and scripted dialogue, dance styles and choreography. We also explore film acting and microphone techniques.

Stage Kidz Classes

These 45-minute classes offer a variation of the performance syllabus outlined but are designed for younger children (4 – 7 years).

(Please note four year olds must already be in reception class at school).

Combine a Specialist Class

Students may choose to combine Performance classes with a more specialised class. The timetable allows for linking some classes together. The content of specialist classes does not conflict with the regular programme.

Street Dance: Urban styles to the latest hip hop and dance music. (7–14 yrs)

Advanced Dance: A variety of modern dance techniques.
(16+ yrs in conjunction with Adlib Theatre Company)

Ballet: We offer Contemporary Ballet for youngsters. (7 - 11 yrs)

Singers Collective: Exclusive ensemble singing and vocal techniques. (8 - 16 yrs)

Shows & Performances

At the end of every summer term and at Christmas, the Performance Classes and Stage Kidz will be involved in a large scale production show at a local theatre.

The Adlib Theatre Company and The Spectrum Theatre Workshop

Both offer 2-hour production & workshop sessions whose main focus is rehearsing and presenting musical theatre and cabaret, whilst maintaining a socially integrated group.

Spectrum is offered as a progression from Performance class for ages 14 - 16 and prepares students for auditions for the Adlib Theatre Company which is aimed at the 16 – 18 age group.

Advanced Dance Technique

This is a dance only class tied directly to Adlib and allows a more extended study of dance in performance and relevant techniques.

We also Offer 1, 2 and 3 day Easter workshops which are themed daily around musical theatre, contemporary and street dance styles with fun drama and singing sessions every day.

A group of children in school uniforms are performing on a stage. In the background, there are bookshelves with large letters 'B', 'Y', and 'A' on them. The children are in various poses, some with arms raised, some with hands near their faces, suggesting a theatrical performance. The lighting is dramatic, with a dark background and spotlights on the performers.

Spectrum Theatre Workshop

This class is more advanced than our Performance classes and suits our students who have been studying with theatrics for longer and are aged between 14 – 16 with more experience of being onstage.

The session is two hours and focuses on progressive techniques which makes this an ideal class for student's interested in more advanced techniques in dance, singing and drama.

Spectrum also work towards shows twice per year at the end of the Autumn and Summer Term. The group has worked on themes as diverse as Blood Brothers and Billy Elliot right through to A Chorus Line and Hairspray, learning important skills related to musical theatre but also including modern styles such as hip hop and street dance routines.

Becoming a member of Spectrum for two years, is a requirement for any theatrics students planning to go on to Adlib as it makes sure they are fully prepared to work at the high level expected in our Theatre Company.

The Singers Collective

The Singers Collective at Theatrics

Having received so many requests for private singing lessons, we are excited to offer a group singing session with Milly called '**The Singers Collective**'. As a graduate of the Liverpool Institute of Performing Arts, founded by Sir Paul McCartney, Milly has worked as vocal coach for the prestigious Luna Rossa group, who performed their shows from opera to rock on the Silversea Cruise Line fleet for the last few years.

Also experienced as a soloist, a professional session and studio backing singer and now as a singing coach she enjoys being able to offer vocal and performance opportunities to all ages.

Her enthusiasm and teaching skills are enjoyed by many young people in the area who are always taught in a fun and friendly environment. Milly is also the current musical director of our own Adlib Theatre Company.

This exclusive class is open to students with a real passion for singing who wish to learn important vocal techniques and styles. The class will be limited and made up of students of all ages and experience. Milly will work on musical scores, vocal projection and confidence building, harmonies and ensemble vocals, hence the name Singers Collective!

The group will perform onstage during Theatrics show weekends and at other events throughout the year!

The Singers Collective meet at the Fradley Village Hall WS13 8NL on Thursday evenings and sessions cost £12.00 each per student.

Testimonials and Kind Words - *A selection of comments received from the families & friends of our students.*

Wow! I just loved it tonight, all of those smiling children said it al! Both Billy and I had tears rolling down our cheeks as Lily sang her heart out with the cast in the finale, she had a ball and she has come on so much, we couldn't believe her focus! Yet again we are delighted that we choose for Lily to go to Theatrics. I love everything that it stands for, we can't wait for Beth to join!

Kate & Billy Downie

The shows at the weekend were quite FANTASTIC. You enable all ages of children to shine and belong to something important. Truly marvellous, George LOVED it. You are a sensationally professional couple yet always have time for every person. Amazing. Thank you!

Caroline Ellis

You give all the children so much confidence and opportunities and thank you for letting our girls be part of it.

Mandy Portman

Hi Nicky & Adam, Just wanted to say how much we enjoyed the show on Saturday and to thank you and al your staff and helpers for al that you, and they, do. The shows are always a triumph and remind me of a duck on the river. Calm on the surface and paddling furiously underneath! The amount of time and effort that goes into the shows is fantastic. The children do enjoy it, you can see on their faces and the confidence it gives Matthew, I can't put into words, he is a 10 different child on stage. Once again many thanks for al your hard work.

Pauline Rimmington

As grandparents of Charlotte, Emma and Hattie Rumsey we were privileged to attend 'Around the World for a Song' last Saturday. We live in Broadstairs, 230 miles from Lichfield, and would travel much further to support our family. We anticipated the usual 'end of term play' but how wrong we were. The whole show was truly fantastic. Full of vitality, energy, fun and happiness. The whole cast were, to a person, so enthusiastic, so well dressed, so well trained and rehearsed we can only marvel at the standards you helped them all achieve.

Sally and Simon Fleet

Just wanted to say what a fabulous summer school show!... quite amazing what can be achieved in a few days !! Fantastic... and more importantly, Molly had a great time. She really enjoyed every minute of every day... so thank you. Enjoy the rest of the summer break.

Caroline Hudson

We just wanted to say thank you again for producing such a fantastic summer school this year (2011), 'Beauty & the Beast' was absolutely amazing. All the hard work put into it by you and your team certainly paid off!! The costumes were fantastic!! The whole cast were fabulous!! How can you beat that now, but am sure you will Lucy and Emma have had another fantastic week, it is such an experience for them and something we are sure will stay with them forever. Feeling a little flat and sad it is all over, they wish they could do it just one more time! Time to put your feet up and enjoy the rest of your summer, you deserve it! Best wishes.

Jo and Mark Charnock

Hi Nicky and Adam, Thank you very much for the fantastic show at the Rose on Sunday and the week before. We enjoyed the experience immensely. Lily was very excited after the show managing to fall asleep finally at about 10 pm after being forced to bed, full of after show adrenaline. Thank you for your kind words about her performance, we were very happy. As usual we were impressed by your great organisation. Helping out backstage you appreciate the production even more when you understand what goes on behind the scenes.!

Esther Flintham

Hi Nicky and Adam and all the Theatrics team, thank you so much for another wonderful show, another wonderful term filled with amazing talent and confidence. Eryn thoroughly enjoys EVERY session she does in Theatrics and comes out beaming with even more confidence and eagerness than before. I can't thank you and your team enough for what you do. As a family, we greatly appreciate everything you give her she feels on top of the world.

Caryl Jenkins Heron, Eryn and family.

Nicky, Adam and Team,

Thank you so much for another wonderful show today. The children did absolutely fantastically! We really appreciate the hard work and effort you go to behind the scenes. We are beyond proud of Evie and how much confidence she has developed over the past year - Thank you!

Emma Stinton

Hi Nicky What fantastic shows. Thank you so much for all the effort you all put in. It was amazing and I really enjoyed watching and Ruby loved taking part!

Natalie Gransden Peto

Hi Nicky, I'm very late sending this but just wanted to say a huge thank you to you and the teachers for another amazing summer school and a fabulous show! Emily absolutely loved it, and all the kids did so well in just 4 days! I still don't know how you do it!

Kate Sheehan

Hi Nicky, many thanks to you all at theatrics for creating such a positive and energetic community for Elizabeth to be part of. We we're all blown away by the show and can't stop singing "we are family"!

Nicola Childs

Hi Nicky, thanks again for everything you do to provide the children with such an incredible experience. Violet has gained so much confidence, she simply lights up when talking about her Theatrics experiences and it has really given her confidence.

Amy Fellows

Hi Nicky, Now that the Turn Back Time shows are over, I just wanted to congratulate you on a wonderful show and thank you for this last year on behalf of Ellie. We had a fantastic time as a family watching Ellie and the rest of the cast on Saturday. Ellie describes Theatrics "as her life". And whilst that's typical I guess of how a 10 year-old speaks, she really does mean it. She has really thrown herself into it this year and with your team's help and support I think it really shows, and she has improved so much. Lots of parents stopped to mention her and we ended up leaving on Saturday evening feeling quite over-whelmed (and proud).

Clare Baker

Dear Nicky and Adam, since Luke was 6 years old, he has had the most amazing time with the Theatrics family. For us as parents it has been so wonderful to know right from a young age, he was safe happy and fulfilled, it was a place where he could just be himself and we will always be grateful for that. Nicky, you have been his Theatrics Mum!! Please pass on our thanks to Milli, Emily, Becky and Natalie too. Thank you for everything. Very best wishes from:

Jayne, Keith & Luke (AKA Dave) Farron (Alumni Student)

Hi Nicky and Adam, I don't know if you remember Tash & Robbie who started out with you guys when you first started Theatrics but I wanted to let you know about a conversation we had with Rob today, he's just been given a big promotion where he works and in part it's down to his communication skills. He said that without going to Theatrics and Ad-Lib he would never have had the confidence he does when talking to clients and doing his presentations, he said that he feels he owes you two a lot for where he is now - so thank you. We're jokingly calling his time with you the best investment we ever made! Tash is also doing a job where communication is everything. It was always about them enjoying themselves as they loved going to both Theatrics and Ad-Lib but what a life skill you gave them both. Hope you're still enjoying life.

Testimonials and Kind Words - *A selection of comments received from the families & friends of our students.*

Dear Nicky, Thank you so much for your kind words! I will take every piece of advice I have been given throughout the years onto my next steps!! Every ounce of your support has helped me continue to strive to continue my performing arts dream, so another thing I am thankful for is that Theatrics showed me what I'm passionate about!! I will be staying in touch throughout my audition process and will let you know when I receive offers as well!! I am so very grateful for all the opportunities you have given me!!! I have loved every second of it!! I will miss everyone so much, and I will miss being a part of the Theatrics family!! Again thank you for everything!

Mia Barker (Adlib Alumni)

Thank you so much to everyone for such a fantastic weekend of shows. We are so proud of Evie and all her classmates - you can really see how much progress and confidence they have made as a group. Watching the joy and pride on Evie's face during 'joyful joyful' last night is honestly now one of my core memories - absolutely priceless! Thank you again!

Emma Stinton

I would like to, from both myself, Ronnie and Stella thank you and Adam, and all the staff and teachers for everything you have done for Stella over the years, Theatrics has been part of her life for such a long time I don't think she realises yet that she will miss it, I know she will. We've got some wonderful memories (and hundreds of photos!) from the many shows over the years, it really helped her confidence. Wow I've shed a tear writing this. Thanks so much for everything you've all been wonderful, she's been a very lucky girl to be part of something so lovely for so long.

Amanda & Stella (Alumni Student)

I'd just like to say another massive thank you to you and your team for all the fabulous work you do and how Eryn is loving all her classes more than ever.

Caryl Jenkins Heron

Hi Nicky, the production last week was amazing we all thoroughly enjoyed it. Tom and Kay are already asking about the next one. Thanks again for all you do for Evie and making Tom and Kay so welcome.

Looking forward to the summer show.

Philippa Gregory

Hi Nicky, thank you to you and all your team for a brilliant show last week, Martha really enjoyed herself.

Hannah Dell

Hi Nicky, you weren't wrong when you said that show was special. I can't believe how well they all did, and I'm not surprised you were so emotional. Emily was so excited to be playing that role. It's amazing what Millie and Becky managed to achieve in such a short space of time and please do pass on my thanks for all the hard work and support they continue to give Emily. 10 years of Theatrics and what a huge influence you have all been on the young lady she is growing into. Thank you so so much.

Kate Sheehan

Thanks Nicky, brilliant show at the weekend, as always. Thanks for all you do. Miriam loves it.

Hi Nicky and Team, Just a note to say how amazing it was to see all the young people taking part on Sat morning in their performances. It is your enthusiasm that is contagious and promoting having a good time enjoying what they do that is so commendable. No exams, no pressures is so rarely experienced these days by youngsters and this is so important for their enjoyment and their mental health. I have seen the confidence grow in my granddaughter, on stage a self-assured little girl. Keep up the good work, I can't commend Theatrics enough you really are amazing.

Sally Rate (Isabel's Granny)

Hi Nicky, what a show! Thank you so much for the most wonderful day of theatre on Saturday. It was definitely one of the best ones yet. Emily had an amazing time as always, and please thank all the fabulous teachers for their incredible work. Can't wait for summer school now!

Testimonials and Kind Words - *A selection of comments received from the families & friends of our students.*

It was an amazing performance. They are all so wonderfully talented! Hers was a difficult role and I thought she pulled it off really well. Brought tears to my eyes! Looking forward to the summer show. Caragh continues to love spectrum and as one of your students said it offers so much more than just a class! Love that they feel safe and have therapy support - so important for teenagers. Thank you for all you do it's very much appreciated

Claire Murphy

Hi Adam and Nicky, I hope this message finds you well! I always get a good update when I'm home and it sounds like you are all doing loads of exciting things! So amazing to think of Theatrics as 20 years old! I am screening one of my short films at The Red Carpet Cinema in Barton. We made the film in Whittington so it was really important to me that we had a local screening. I would be thrilled to see you if you are able to make it. It would be absolutely lovely to see you after all these years!

Evie Fehilly (Adlib Alumni) Writer, director and performer.

Theatrics has provided us with so many special memories - from the very first class with the lovely Miss Pretty and has given Erin such great opportunities to develop confidence and skills in a caring and nurturing environment. And of course, I cannot sign off without saying how eternally grateful we are that Erin has the wonderful Milly in her life! You are wonderful - please keep doing it!

Thank you again Nicky and Adam, Becky and Milli. With very much love

Rachel Whitby Smith

Theatrics is such an important part of my life and much of my love for performing has been developed because of you both, your fabulous classes and shows. I am so grateful to have learned so so much from you all, and to have been given so many opportunities to perform and build my confidence. Thank you for an amazing 13 years at Theatrics, I am eternally grateful. The hard work you put in is incredible, and I feel so grateful to have been a part of such a loving family. Much love and many thank you's.

Erin Whitby-Smith)Adlib Alumni)

Hi Nicky, I just want to say sorry I couldn't talk last night. I was convinced I would be ok but one of the songs that Erin and the other girl sang set me off (was it from Les Mis?) and then the last song "From Now On" tipped me over the edge as I realised it was actually the last song that Holly would ever be in! I'm still welling up typing this email! Thank you so much for everything you've all done for Holly. She has thoroughly enjoyed her 10 years at Theatrics and has made some amazing friends and has gained so much confidence from performing. We are so lucky to have these memories of her in the shows as she has had some amazing parts. I literally couldn't speak last night so wanted to say goodbye properly. I cried all evening, and the card and bracelet set me off again! Time has gone by too quickly and I hate goodbyes. Please pass on my thanks to Adam, Millie & Becky too.

Kerry Davies

Hello, what an amazing performance yesterday was! As always, you have encouraged each and every student to shine to the best of their ability. They are all so amazing and it was lovely to see them pull it together. A huge well done to all involved. I never imagined, 13 years ago, that when I enquired about a place for Izzi that you would all become such an important part of our family. The girls know that they can come to theatrics and be themselves.

Vicki & Marcus Davies-Friend

Hi Nicky, thought you might like to hear about Rosalie getting 'special mentions' last week at school (kind of like star of the week) due to her class drama activity. Her teacher emailed me about something else but said "she blew me away today with her performance in our mini drama scenes. The confidence, volume and expression she used was superb! You can definitely see that Theatrics has had a positive impact there! So think you and your team deserve the credit there!!!!Thanks

Lisa Christie

Hi Nicky, Working was such a fabulous show. Thank you again for all the work you do to make all this magic happen!!

Rachel Whitby Smith

Terms and Conditions

Fees are non-refundable (including for missed classes due to illness or isolation).

Discounts are available on classes and uniform purchases when three or more family members attend the school.
(Please ask about these prior to enrolment).

When students participate in shows requiring rehearsals outside normal class time, a charge will be made for this additional coaching and included in the term fees.

When costumes and props are required for shows and performances, Theatrics will purchase or rent these on behalf of all students and then share the cost via a nominal hire charge to all parents, thus keeping additional expenses to an absolute minimum.

Theatrics operates a continuous enrolment policy; we maintain a place for each student on our courses until informed otherwise. Therefore, any student wishing to leave the course at any time is required to give ONE MONTH'S NOTICE in writing. Fees will not be refunded for portions of the term that are missed. This notice period permits any changes to choreography to be made and to re cast parts, allowing enough time for scripts to be learned before performances or filming sessions. Failure to give notice by the parent/guardian, even at the end of a normal term period, may result in Theatrics applying for County Court Rulings to claim subsequent term fees until notice is properly given, because Theatrics is in good faith, holding a place open for each enrolled student.

Bank fees relating to returned cheques or other issues will be charged back to the account holder, this is a fixed charge of £15.00 per cheque. Fees can be paid in cash, by cheque, bank transfer or credit/debit card.

Theatrics reserves the right to cancel classes if necessary, but will credit the next term's fees if it is not possible to provide a live alternative via online or social media platforms (such as Zoom or Teams) or a pre-recorded class linked to students via our private you tube channel.

Theatrics reserves the right to substitute or change teachers as required during the term period either temporarily or permanently without giving notice to students or parents. The replacement teacher will always be of a requisite standard as judged by the Principals.

Theatrics reserves the right to change the venue of a class either temporarily (in emergencies) or permanently but will always seek to keep it within a reasonable radius of the original location and wherever possible effect changes after holiday breaks.

Theatrics photograph and film students during classes and performances every term and all parents/guardians are required to complete a GDPR and consent form regarding the use of all electronic data.

Fees are required to be paid in advance. Should they still be outstanding, **two weeks** after the commencement of term, we reserve the right to refuse entrance to the class by the student in question.

Failure to pay fees without explanation, when participation in classes has already taken place beyond the two weeks mentioned above, constitutes a breach of our terms and conditions and may result in Theatrics applying for County Court Rulings to reclaim unpaid fees via a collection agency. Any charges incurred from this action will be passed on to the parent/guardian.

Although we will endeavour to collect and hold personal items left at the studios, Theatrics cannot accept responsibility for finding & returning lost property. Unclaimed items will be recycled after one term.

Theatrics will not accept responsibility for siblings or friends who may attend a Theatrics venue with a parent/guardian but are not enrolled students.

Students are NOT permitted to bring guests to watch classes unless arrangements have been made with Theatrics prior to the class. The guest and parent/guardian must sign a disclaimer indemnifying Theatrics from any responsibility for the guest in accordance with insurance guidelines.

Should weather conditions make it unsafe to travel to and from a theatrics venue, a notice will be sent via SMS text informing parents/guardians and students of the closure, as well as a recorded message on our answerphone (07905 222418). It is the responsibility of the parent/guardian to update any contact information, phone numbers, email addresses and emergency contacts.

In the event of a pandemic or national emergency, Theatrics will always seek to follow Government and Health guidelines, providing compulsory screening questionnaires where required and managing the logistics of operating classes within published regulations. If there is a lockdown before the end of a term and classes have been paid for but are outstanding, Theatrics reserves the right to offer online sessions as a replacement to finish the term.
